86. One possible version:

The Spring Festival is an important festival for our family.

The day before the Spring Festival, Mum and Dad usually cook the meal, and I often help them with the dishes. We have a tradition of eating dumplings and other delicious food. At night, we have a family dinner and watch the fireworks together.

We celebrate the Spring Festival to honour our culture and traditions, and to bring our family together.

85. One possible version:

There are some traditional festivals in China. My favourite one is the Dragon Boat Festival. It is celebrated on the fifth day of the fifth lunar month. It is a festival to remember Qu Yuan, a great poet who died for his country.

We usually eat *zongzi* on this festival. *Zongzi* is a kind of traditional Chinese food made of rice wrapped in bamboo leaves. We also watch dragon boat races on that day.

61. One possible version:

My school

I love my school. It is new and full of colours.

There are trees and flowers everywhere. There are three buildings and a playground in my school.

My days are filled with study and fun here. The teachers are strict but always friendly. My good friend is Lingling and we often play together.

I am proud to say that I am part of this school.

62. One possible version:

My favourite day of the week

My favourite day is Thursday. On this day, I usually have many interesting and enjoyable classes, such as English and maths. I like them very much.

I like Thursday also because it is the day for our school newspaper club. We meet and discuss news stories, and write about some events in our school.

For me, Thursday is a day full of learning and fun activities!

七、One possible version:

Many people have collections in their lives. As for me, I have a special collection: toy robots. These robots are not valuable. But for me, they are priceless. Now, I have collected 12 toy robots because my parents buys me one toy every year.

My collection gives me much happiness. When I feel lonely or sad, I always talk to my toy robots. They are my best friends.

I hope that I can keep collecting toy robots as long as I live. They will bring me more joy in the future.

七、One possible version:

My favourite city

There are many cities in China. My favourite city is Dalian, located in the northeast of China.

Dalian is a city with a pleasant climate and beautiful scenery. It is also a city famous for its seafood. You can taste all kinds of delicious seafood dishes here.

Dalian has many shopping malls and markets where you can find various kinds of goods. If you like to relax and enjoy yourself, Dalian also has

many theme parks.

In conclusion, Dalian is a beautiful city. I hope Dalian will become even more famous in the future.
