Do you want to stay healthy? If so, please do as I tell you. You should have a good breakfast every morning. For lunch, don't have hamburgers any more. They are unhealthy. You can have noodles or rice. At the same time, you should drink more water or tea, but not cola. In the evening, you should eat more fruit, vegetables and a little meat. You know, too much meat is bad for your health. It's very important to remember: eat well, stay healthy and don't get fat!

Dear Dave,

I'm very glad to get your letter. You asked me about my life on weekends. Now let me tell you something about it.

On weekends, I usually start a day with some exercise in the morning. It's important to keep healthy. After that, I like to spend some time with my family. We like to cook dishes or watch movies together.

In the afternoon, I usually do my homework or read books. In the evening, I like to spend some time with my friends or play games online. This is a good way to relax and also to stay connected with my friends.

My weekends are usually busy but fun. I enjoy spending time with my family and friends, and also finding time to improve myself.

Yours,  
Lin Mei

One possible version:

### **Our favourite animals**

Everyone has his/her favourite animals. Now my two friends and I are talking about our favourite animals. Lisa likes cats best. She thinks that they can catch mice and they look lovely. Dogs are Eric's favourite animals. He thinks that they can do lots of things for people and they are the most popular pets. As for me, I like horses best, because they are good at running and they are very beautiful.

Animals are our friends and all of us should love them and protect them.

One possible version:

### **My favourite animal**

There is a cat in my home. Its name is Cathy. It is from the south of China. It's two years old.

It's the birthday present from my grandmother. It's my favourite animal. Cathy likes eating fish and rice. Its favourite food is the seafood. It can do many things such as catching mice, playing with balls and climbing trees. I often play with it. I often take it to go for a walk around the lake. It's funny to watch it catching the fish in the lake.

Every day I come home from school, it always waits for me at the door. We are good friends. I love the cat.

One possible version:

### **I love computers**

I love computers. I can use my computer to do a lot of things.

When I am free, I can often use it to watch movies, listen to music and play games. When I

study, I can use it to download documents and search for information. The computer helps me a lot. But I can't use it for a long time because I have to protect my eyes. Using the computer for long is bad for my eyes.

In a word, computers are good and useful. We should learn to use them in a right way.

**附加题**

One possible version:

Now the computer is very popular. We can get information from the Internet. We can download music, read novels and watch films. Also, we can send e-mails to our friends and talk with them on the Internet. We can even have lessons with different apps on the computer. The computer is very useful.

But many students spend too much time playing computer games. It's bad for their health and study. We should use the computer to help us study and get more useful information. Using the computer in a right way is good for us.
